WELCOME TO YTEXAS

YTexas is launching our 2026 Program on February 11, 2026 at the Communities Foundation of Texas in Dallas, Texas.

YTexas is a community and marketplace for companies, schools, and regions to promote groundbreaking projects that forge working relationships with peers across the state - and with those looking to relocate or invest here.

We provide a curated experience for our members and sponsors, focusing on targeted introductions through a personal concierge. This is a strong differentiator for YTexas and something other organizations do not offer.

The YTexas Summit was coined “*the South by Southwest for business*” by the Dallas Morning News. Our annual event hosts business professionals and influencers from over 10 industry sectors in technology, education and economic development - from the Fortune 500, to start-ups, mayors and university presidents.

Join 2,000+ Texas professionals for a year-long program to fully immerse your company into the massive Texas ecosystem.
